Payments will be posted to your Dance Studio Pro account. If you prefer to pay in full, please reach out to dancewithmoxie@gmail.com

Additional dance items, such as shoes and tights, may need to be purchased if not already owned. Information about any additional materials will be announced as soon as it is decided.

By registering for the performance group, you and your child are agreeing to a full year commitment to both a Moxie Dance Collective Class (separate registration required) and the Moxie Dance Collective performance group.

While an educational experience, the performance group is not a class, it is a rehearsal time. The rehearsal will be focused on learning and cleaning choreography. This is why a student participating in the performance group must be enrolled in a Moxie Dance Collective class.

Our performance group is non-competitive. We will perform at local events and venues throughout the year. Events are TBA. A conflict calendar will be sent out to families to fill out. I will do my best to schedule performances around these dates, but can not guarantee that a performance will not land on a conflict day. There will also be the Moxie Dance Collective Showcase held at the end of the year. Date and venue TBA (as of April 4th, 2025) Please note, ticket prices for the end of year showcase are not included in tuition.

Dance performance groups are a group creative sport. Just like any group sport such as softball, basketball etc., attendance is imperative to the success of the group as a whole. Please make every effort to ensure that your child is at each rehearsal and performance. An absence must be relayed to Jackie as soon as they are known to occur. Group participants are expected to practice choreography at home.

I am thrilled to be able to offer the Moxie Dance Collective Performance Group! A performance group allows a serious dancer the opportunity to enhance their dance education, learn performance professionalism, collaborative teamwork and more!

Please reach out with any questions or concerns.
